The screenshot shows the Zoho Projects web application. On the left is a dark sidebar with a menu including Home, Task, Project, Calendar, and Reports. The main area displays a Gantt chart for a project named 'New Project'. The chart has a timeline from 14 to 24. Tasks are listed on the left of the chart: 'New Project' (14-24), 'New Project Planning' (14-18), 'New Project Design' (18-22), 'New Project Development' (22-24), and 'New Project Review' (24-24). Below the chart, there is a section titled 'See the big picture with Gantt charts' with a brief description and a link to 'Learn more about Gantt charts'.

## Selenium Live Project for Practice

By : Krishna Rungta Updated August 21, 2025

### Project Summary

This project will put you in an online Corporate Test Environment. You will be automating Selenium test cases for a demo banking website. You will create & execute automation scripts and have an opportunity to compare it with sample scripts created by our experts in real-time.

The project spans seven days, during which you will receive one email daily with your assigned tasks for that day. It provides a structured approach to learning while being completely FREE, allowing participants to gain real-time experience in Selenium test automation.

### Completion Time

The project will last 7 days. You will be sent 1 email every 24 hours with your work allocation for that day. It is **FREE!**

#### Table of contents

- Project Summary
- Completion Time

From today's featured article

Taylor Swift

***Taylor Swift*** is the debut studio album by the American singer-songwriter [Taylor Swift](#) (*pictured*), released on October 24, 2006, by [Big Machine Records](#). Swift wrote or co-wrote all the tracks of the album, based on her experiences as a teenager; its lyrics address love, friendship, and insecurity. Produced by [Nathan Chapman](#), it is a [country](#) record with [pop](#) and [pop rock](#) influences, using acoustic arrangements composed of guitars, [banjos](#), and [fiddles](#). Critics generally praised the earnest teenage feelings portrayed in *Taylor Swift*, and it spent more weeks on the US *Billboard* 200 than any other album of the 2000s decade. Among its singles, "Our Song" and "Should've Said No" peaked atop the US [Hot Country Songs](#) chart, while "Teardrops on My Guitar" became Swift's first [crossover](#) success on the pop charts. *Rolling Stone* featured it in their 2022 list "100 Best Debut Albums of All Time". (*This article is part of a featured topic: [Taylor Swift original studio albums](#).*)
